Exhibition for Artists with Autism

Following its success last year, a second exhibition is to be held featuring work by artists with autism at Dimbola Museum and Galleries.

All of the artists are supported by the Way Forward Programme, an Island charity which works with those with physical and learning disabilities.

“Art is a perfect medium to enable those with autism to express their thought and feelings. And knowing that people like the work so much they buy it, provides a huge boost for their confidence and self-esteem.”

The exhibition runs from 29th March to 28th April. A cheese and wine preview evening is being held at the gallery in Freshwater Bay on Friday 28th March between 6pm and 8pm. If you would like to attend please RSVP to info@wayforwardprogramme.co.uk by Friday 21st March.

Isle ENGAGE

What would make life on the Isle of Wight better for you? Share your ideas and help us win £6 million for our communities!

We are asking everyone on the Isle of Wight to ENGAGE - to share their ideas and change lives, by supporting a bid to secure up to £6 million of lottery funding to improve life for our older Island residents.

The Isle of Wight has been shortlisted and invited to bid to the Big Lottery Fund as part of the Fulfilling Lives: Ageing Better scheme, to fund innovative, sustainable and community led projects to tackle loneliness and social isolation in people over 50. Your help is needed to strengthen and consolidate the lottery application.

This is a chance to have your say about your life on the Island and share your ideas on how to make it better.

It's easy to get involved, you can complete the simple survey here <http://bit.ly/IsleENGAGE> or via any of the methods below:

Other ways to ENGAGE

- By calling the Engagement Line on (01983) 539309 and leaving a message and comments for someone to call you back (until midnight on Sunday 16th March)
- By emailing isle.engage@gmail.com and requesting a paper copy of the survey
- By attending an Engagement event where you will be able to give us your views – events will be taking place all over the Island, please call (01983) 525282 to find your nearest event.
- By writing to us at the Freepost address: 'Isle ENGAGE', Age UK Isle of Wight, Freepost RTGG-LRCS-JRBZ, Newport, Isle of Wight, PO30 1TY'

Everyone who completes the survey will have the opportunity to enter a prize draw for £100!

Volunteers needed - 2014 Quarr Abbey Visitor Survey

Quarr Abbey is conducting a visitor survey in order to establish the number of visitors who come to the abbey each year and are looking for Volunteers to help monitor visitor numbers.

The survey will be taking place at various times throughout the year, so we are looking for volunteers who would be willing and able to commit to a number of days across the year to assist on this project.

As a Volunteer for the survey, you will be working outside, based at key entrance points of the Abbey. Each session of visitor monitoring will last for 3 hours, and refreshments will be provided during this time.

No previous experience is necessary, as you will receive training and be given help and support where needed. Subject to your availability there is the flexibility for those interested to participate on either a particular number of days, or the full range of days required. If you are interested in volunteering and would like more information, please contact Lucy Sutton, by 15th March 2014. Lucy Sutton, Administrator, Tel: 01983 882420 ext. 203, Email: admin@quarr.org

Village halls survey 2013/14

If you are involved with the management of a village hall or community buildings please take a few minutes to complete the national ACRE online survey for hall management committees.

The questions are designed to help ACRE get a clearer picture of how topical issues such as licensing, VAT, rate relief and broadband are affecting village halls.

There are also some general questions around volunteers, community enterprises and activities – plus a few light-hearted questions which will help us to attract the attention of the media and encourage them to engage with the wider issues.

ACRE is working on gaining enough support to establish an All-Party Parliamentary Group on village halls and will use the findings of the survey to keep the work of hall volunteers and the challenges they face in the spotlight with Government departments, MPs and the media.

The more information they have, the better they are able to lobby on issues that affect the sustainability and survival of our village halls.

To complete the survey please follow this link: <https://www.surveymonkey.com/s/MWRJ9RR>

The deadline for submissions is: 24 March 2014. With thanks in advance for your co-operation,

First Aid opportunities for young people

The British Red Cross has received a legacy specifically to spend on teaching young people first aid on the Isle of Wight. Hence we are looking for interested groups who are under 25 years of age to work with and deliver life saving skills too.

Everyday First Aid uses every day objects to tackle common First Aid ailments. The ethos is that it should be easy to learn, easy to do, therefore easy to remember and recall in an emergency.

Sessions are interactive and fun, with young people leading and teaching each other. We do not dwell on the more complicated aspects of the medical conditions but do emphasise the need and procedure behind calling 999 to encouraging young people to become responsible citizens.

We also run mini first aid interactions with small groups or youth centres which involve teaching young people in a drop in, drop out manor. Usually these sessions involve a variety of props to catch their interest and sometimes casualty simulation – fake wound and blood which others can then treat.

Our plans are flexible and adaptable depending on the group and their needs. Sessions can vary in length depending on the group.

If this sounds of interest or you would like to book a session, please contact Michelle Playle MPlayle@Redcross.org.uk or call 02392 894218. We are looking to book sessions in as of April/May and are anticipating the funding to run out as of the new academic year in September, after which sessions will be chargeable.

Views wanted on future of Broadway Centre

Sandown Town Council is seeking to provide a new facility to replace the existing Broadway Centre.

A new build to give residents and organisations in Sandown, the Bay Area as well as the wider Island area the opportunity to hire and use the facility ranging from small meeting rooms up to an area that can seat 120 people that could be used for shows as well as a training venue or a conference centre.

It is seeking to evidence the interest of different community groups in using the future facilities and would be grateful if groups could complete the 2 question survey [available here](#) and return to the clerk.

Calling All Volunteers and Voluntary Groups

The Isle of Wight has an enviable record for volunteering in all areas of community life.

Our volunteers give of their time and expertise to a very high standard, as evidenced by the number of voluntary groups which have been recognised with the Queen's Award for Voluntary Service.

However, we know that there are many people out there who have not been acknowledged, and who are richly deserving of recognition. H.M. Lord- Lieutenant Major General Martin White has invited the Head of the Honours and Appointments Secretariat in the Cabinet Office, Mr Richard Tilbrook, to come to the Island to explain how we can ensure that all who deserve to be honoured are indeed recognised.

The meeting will be held at the Riverside Centre, Newport on Tuesday, 4th March 2014 at 3pm. I would encourage everyone involved in the voluntary sector to come along and hear more about the nomination process, which is open to all, so that the amazing work which goes on around our Island can be celebrated.

As space is limited it is important that people notify Gillian Phenix on gillian.phenix@iow.gov.uk, or on 823525, if you are intending to attend.

Flipping Fit For Fifty

Raising money for West Wight Sports Centre and two other charities - Huntingdons Disease Association (HDA) and Uzima in Our Hands (an orphanage in Kenya)...it also happens to be the year I turn 50!

West Wight Sports Centre is run by a charity and is an essential community facility. I manage three endurance events each year for the Sports Centre and this year I intend to take part in them all and try and raise some money for the three charities. The three events are:

- Needles XC Half Marathon on June 8th
- Solent Swim on July 6th
- West Wight Triathlon on September 28th.

I'm not a very good runner and the Half Marathon is a very hilly 13 miles. I don't like swimming in the sea and the Solent is very cold and deep. The Triathlon seemed like an easy add on if I'm still alive after the other two!

If anyone wants to sponsor me please go to <http://www.everyclick.com/clare>
